Opportunity for Outstanding Individuals

The **Business Clinic**, a provider of exceptionally innovative solutions to the problems faced by small and medium businesses requires highly motivated, resourceful, innovative, and practical minded individuals as

- A. **Business Counselors**
- B. **Business Interns**

The Counselors should preferably be experienced business senior executives and counselors, semiretired or practicing with a sound knowledge and an empathetic understanding of how small and medium sized businesses are run, the business environment they face, the internal and market problems they face, and solutions to these. Counselors must have strong analytical and communication skills, be able to speak and write in a simple and clearly understood manner so that clients are able to fully comprehend and execute the advice given.

The Interns will be recent MBA graduates with a sound knowledge of the business environment in terms of policies, laws and regulatory requirements affecting SMES, marketing, financing, accounting, and human resources management.

Both Counselors and Interns are expected to have excellent writing and spoken English and Kiswahili, computer literate, and be willing to work on a part-time basis.

Interested candidates must send in their resumes and applications indicating which position they are applying for not later than **Tuesday February 8th, 2005** to the following address.
